Fair Manager

Attached is this year's application and pertinent rules/regulations for the Cumberland County Fair. Dates have been set for September 16-26. As you know, the Cumberland County Fair continues to grow each year thanks to many fine sponsors and supporting organizations. Last year, more than 55,000 folks attended the fair. This year's lineup of entertainment, contests, exhibits, livestock shows, and a great state of the art traveling carnival promises to make the annual county fair the best ever.

The Cumberland County Fair, located at the Crown Center in Fayetteville, encompasses the entire Coliseum complex, taking up space in the 13,000 seat Crown Coliseum, the 60,000 s.f. Exposition Center, the 5600 seat Arena and the 2600 seat Auditorium. With more than \$150,000 already committed to entertainment and advertising, this year's fair is truly shaping up to be **a great county fair**.

We are sending your application so that you can reserve your space early. Returning vendors/exhibitors who want their same locations should note the same on their application. Also, fees increase on August 1, so it's good to get the application and deposit in early. Of course, full fees will be accepted, too.

If you have any questions, or need information, please do not hesitate to give me a call. The fair's website is currently being updated and the schedule will begin to appear shortly. You can visit it frequently for updates.
